## FLYING IN MOZAMBIQUE

Do not fly into Mozambique without a Clearance. Make sure you know all the regulations.

Always question landing and navigation fees. As guidelines, the official Fees are given on the following pages. Check also the availability of Avgas at airfields beforehand. This can change within days. Payment for navigation-, landing- and parking fees as well as for fuel, is only accepted in US \$ or ZAR. Ensure that you carry enough small bills - you will not get any change. General: only drink bottled Water. Do not eat seafood inland. VISA required if crew stays for more than 1 night

## ENTRY REQUIREMENTS

- Passport Required**
- Visa Required**

**Exceptions**

**Flightcrew** Crewmember licenses or certificates accepted in lieu of visa for temp. admission only, i.e. 24hrs or 1 night stay only, within outlines of adjacent cities

**Health** Vaccination certificates against cholera, smallpox, yellow fever, if arriving within 6 days after leaving or transiting infected aera.

**Airports of Entry** Beira, Inhambane, Lichinga, Maputo, Namupula, Vilankulu, Pemba, Quelimane, Tete

**Private Flights** Clearance required

**Commercial Flights** Clearance required

- Overflight Permit**
- Landing Permit**

**How to Apply** Write or fax to: Direcao Nacional da Aviacao Civil, P O Box 227, Maputo; Tel. +258 1 465685 or 465727 Fax. 465 415 Contact: Emilia or Adriana

**Format** Details required as per ICAO flightplan, plus postal address of operator or owner, type of a/c, registration and call sign, colours and nationality of a/c, number of crew and pax, date and time of arrival and departure, purpose of flight, name/address of entities in Mozambique

**Timing** Apply in writing 7 days before, thereafter follow up telephonically until clearance reference no. has been obtained.

**Special Notices** For non-scheduled flights filed into Angola, pilots need to present plans to both customs and immigration offices for approval and stamping before submitting to ATC

**Tips**

### FLYING IN ZAMBIA

When flying to camps in the Western sector, i.e. Hippo, Chunga, Moshi - fly to waypoint Muwezwa (S15 27.13 E026 48.21 - RAD 271 LV). Set course from that point to your destination as long as you cross the Mumbwa tar road at 5000' ALT to below.

Private airstrips that are not tarred: Check beforehand with DCA which strips are open, as all strips are officially closed after 31 December each year and have to be inspected by DCA before re-opening.

Landing fees are only accepted in US \$ or ZAR. For fuel, Zambian Kwacha are also accepted.
